

Dear Sir/Madam,

Residing in Toulouse, I recently graduated with an Engineering degree in Computer Science and Telecommunications from ENSEEIHT, following a five-year academic path that included two years of Classes Préparatoires aux Grandes Ecoles at Lycée Louis Barthou in Pau and three years at my engineering school.

Currently seeking employment, I am writing to apply for the position of \_\_\_\_\_ within your company.

I am genuinely motivated to contribute to the exciting projects and missions undertaken by your firm, confident that this experience would be immensely enriching for my professional growth.

Moreover, my adaptability, rigor, and versatility will enable me to quickly understand and excel in the various tasks assigned to me.

Lastly, with a well-developed team spirit and emotional intelligence, I am convinced that my dynamism, motivation, and positivity will be valuable assets in meeting your company's needs.

I am available for an interview to discuss my motivation and qualifications in person.

Best regards,

Nicolaï Beuhorry-Sassus
